

FINAL REGULATIONS

PART V. RENEWAL OF CERTIFICATION.

18 VAC 105-30-90. Renewal of certification.

Every optometrist TPA-certified by the board shall renew his certification with the annual renewal of his license to practice optometry. At least two of the continuing education hours required for renewal of an optometrist license shall be directly related to the prescribing and administration of therapeutic pharmaceutical agents.

18 VAC 105-30-100. Expiration of certification.

An optometrist who allows his certification to expire shall be considered not certified by the board. An optometrist who proposes to resume the treatment of certain diseases and administer certain therapeutic pharmaceutical agents shall ~~make a new application for certification and meet the requirements of 18 VAC 105-30-30~~ submit an application for reinstatement, pay the reinstatement fee and provide evidence of continued competency to resume such practice.

18 VAC 105-30-120. Fees required by the board.
